Durant Vineyard is farmed by Paul Durant, the second generation in his family to care for these vines. The vineyard spans from 250-700 feet of gentle, east facing slope in the Dundee Hills AVA. The deep volcanic Jory soils provide moisture for non-irrigated vines late into the growing season, the Pinot Noir is mid-way up the slope, and the hillside behind the vineyard shelters the vines from the harshness of late afternoon sun. The wines are elegant and prettily red fruited, with softer tannins, and a warm lushness on the palate.

The 2018 vintage is marked by juicy acidity, elegant fruit, medium weight, and fine tannic structure. Perfect for both near-term enjoyment, and excellent cellaring potential.

"Pale ruby, the 2018 Pinot Noir Durant Vineyard is extraordinarily perfumed this vintage, with scents of rose petals, Earl Grey tea, lavender and loads of intense black fruits. The palate is arresting, seamless and silky and loaded with perfumed flavors that call you back again and again to the glass. It's one of the loveliest Pinot Noirs I've tasted this vintage from the Willamette Valley. 95 points." Erin Brooks, The Wine Advocate December 2020

Goodfellow Family Cellars is a winemaker owned and operated winery in Oregon's beautiful Willamette Valley. Founded in 2002, and producing approximately 4000 cases annually, we focus on old vines planted in unique and beautiful sites, conscientious farming, and techniques of tradition in the cellar. We are members of the Deep Roots Coalition, a group of craft oriented wineries committed to sustainable farming and sourcing grapes solely from non-irrigated vines. We do this because it is the responsible choice, and because it produces the highest quality wine with the truest expression of place.
